PROFILE

Frontend Developer specialized in React, with experience building modern, responsive, and mobile-first web applications. Led the migration of a legacy frontend based on ZK Framework to a modern React architecture, significantly improving user experience and performance. Strong backend background in Java, Spring Boot, and REST APIs, enabling efficient integration with services and end-to-end development. Experienced with both SQL and NoSQL databases, as well as API integrations. Currently pursuing a degree in Systems Analysis, focused on deepening expertise in frontend development and modern architectures.

TECH STACK

Frontend: React, JavaScript (ES6+), HTML5, CSS3

Backend: Java, Spring Boot, REST APIs, Python

Databases: MongoDB, Firebase / Firestore, Oracle, Redis

Tools & DevOps: Git, GitHub, GitLab, Docker, Postman

EDUCATION

Instituto ORT, Systems Analysis

Mar 2023 – present

- Degree progress: 75%.

Coderhouse, React Web Development

Dec 2025 – Mar 2026

- Completed.

EXPERIENCE

America Virtual, Frontend Developer (React)

Feb 2025 – present

Developing modern user interfaces for GDEBA, the central document management platform for the public sector of Buenos Aires Province, focusing on frontend modernization and migration to current technologies.

- Led the migration of a legacy frontend based on ZK Framework to a modern React PWA, improving user experience and performance.
- Developed responsive, mobile-first interfaces using React and JavaScript, integrating REST APIs.
- Collaborated closely with backend teams (Java / Spring Boot) to optimize client-server communication.
- Participated in API development and testing, improving frontend-backend integration.
- Managed version control using Git (GitHub / GitLab) in collaborative environments.

SKILLS

Technical Skills: Frontend & Backend Development, Docker, SQL & NoSQL Databases, Application Monitoring and Log Analysis

Soft Skills: Teamwork, Adaptability, Strong communication skills, Time management and task prioritization

PROJECTS

Personal Portfolio: React, Tailwind

Artist Portfolio: React, Firebase, SASS

LANGUAGES

English: Advanced
